What we do:

MHNA is about all the diverse residents working together, to keep this neighborhood a great place to live, work and study.

Encourage responsible landlords and residents

Develop an atmosphere of respect for the rights and lives of all residents in the neighborhood.

Build a safe and clean community

Network with your neighbors and become involved in the programs listed to the right, to improve property values and the quality of life for all residents.

Maintain open communication with the University of Wisconsin-Milwaukee

Work with UWM representatives and students to effectively address the problems and recognize the benefits of having a large university in a small neighborhood, and continue to work together to find positive solutions for the issues that affect all residents.

**You can have a voice
in your neighborhood!**
